**Please notate the following items in the
Special Notes Section on your form should they apply:**

1. Please specify the length/type of service as listed on our service menu. Simply writing Massage or Facial does not accurately indicate what you are looking for nor assist in our ability to determine availability or properly develop a schedule for your Party.
2. For all Massage requests, please indicate whether each guest has a preference on if their massage is scheduled with a male or female massage therapist. We do employ both and want to ensure everyone is comfortable with whom they are scheduled.
3. Allergies that may affect your service selection.
(ie. massage oil or facial product ingredient allergies, etc.)
4. Please keep in mind that we are a one technician nail department, and we cannot accommodate more than one nail service ongoing at a time. If everyone in your party group is requesting nail services, this will automatically increase the amount of time your party will be with us. Please note, we do not offer any Acrylic Nail Services.
5. If any guests are under the age of 16, they must have a parent/guardian in the service room with them during a massage or body treatment.

A friendly reminder that we are closed on both Wednesdays and Sundays and cannot accommodate Spa Parties on these days. We do not accept Spa Party requests the day of, the day before, or the day after all Major Holidays.
